

MANOR COURSE LOYALTY CARD

FOR SHERDONS GOLF CENTRE

t: 01684 274782

w: sherdons.co.uk

e: enquiries@sherdons.co.uk

HAVE YOU GOT A LOYALTY CARD?

If you play regularly on our 9 hole, pay and play Manor Course, make sure you ask reception to give you a loyalty card next time you come along to play golf.

Every time you pay for your round of golf on our Manor Course we'll stamp your loyalty card. When you have 10 stamps, simply hand in your card to reception and we'll give you a free round of golf to say thank you for your support.

EXCLUSIVE FACEBOOK PROMOTIONS

If you go to our Facebook page this month, there's an exclusive chance to **win a free voucher worth £50.00** to spend on range balls, food and beverage in our clubhouse or rounds of golf.

Good luck!

GREAT DEALS WHEN YOU BOOK ONLINE

If you book online a round of golf on our 9 hole, pay and play Manor Course via our website in August, we'll give you a **FREE 22 ball token** for the range to help you practice before you go out to play. So get on your PC, tablet or smart phone today.

We've also made it easier for you to book your next round at Sherdons as you can now **book up to 2 weeks in advance online.**
