

# SHERDONS GOLF CLUB NEWSLETTER – SEPTEMBER/OCTOBER

## MIKEY'S MUSINGS

Good Afternoon,

Since the last newsletter we have top dressed the greens to smooth out the playing surfaces. Thank you for your patience whilst this was in progress.

The grass has started growing again following the occasional spells of rain and so mowing is in full force.

Extra sand has been placed in the bunkers and repairs were made to the bunker on Hole 8 as there had been some subsidence due to animal scrapings.

We have also been strimming and a general tidy of the course.

Mikey.

**LADIES CAPTAIN CATHY BLACKMORE**  
**SENIORS CAPTAIN RICHARD ILIFFE**

## THE HAPPENED AND THE HAPPENING

On Sunday 15<sup>th</sup> July we held this year's 3 Captains Charity Day. Well done to all the organisers and participants. We had lovely weather and the additional competitions, run in conjunction with the main event, meant it was a real family orientated occasion. You can find details of all competition winners on the relevant notice boards or facebook.

Sunday 2<sup>nd</sup> September was the Mixed Pairs Open. This was the first attempt at this competition and we had a reasonable turnout with a good percentage of visitors. We did have one or two hiccups with the V1 System but thanks to Clare (who then proceeded to do all the scoring manually) the day was saved. Thank you to everyone who participated and helped to organize a lovely day. We are intending this to be a regular fixture in our golfing calendar, so if you missed out this year, keep your eyes open for details in 2019.

The Club V1 system has received an update and having just got used to the layout and how to enter our results, the screens are now slightly different. Please bear with us whilst we try and rectify some teething problems with the new updates. If you have any problems with entering your information, please shout and someone will do their best to help. Don't forget to ensure your card is completed correctly including player's and marker's

signature, as all incorrect cards are now to be disqualified.

The Saturday and Sunday Monthly Stablefords and the Thursday Club Day have continued throughout the Summer and some will continue through the year, details to be found on the monthly calendar. The Thursday Club Stableford will be stopping in September due to less hours of daylight as we approach Winter. Please keep a watch on the notice boards for details

The matches for all teams, seniors, men, ladies and juniors have been continuing throughout the Summer. If you would like to be considered for any of them, please let the relevant Captain or organiser know and they can add your name to the list.
